# Do you love R-horses? Join us in the Jr. Wrangler and Sidekick Program

The Jr. Wrangler and Sidekick Program of the R-Wild Horse Ranch is committed to providing an opportunity for the R-Ranch youth and adults to learn the basics of horsemanship and related barn and ranch maintenance, in a safe and supportive environment. Starting from the ground up, instruction will be offered to allow progressive learning of skills so each participant can eventually contribute to the proper care of R-horses and assisting R-wranglers.

## **Level 1: Jr. Wranglers and Sidekicks will . . . .**

learn barn rules and etiquette, and natural horse temperament, and will perform basic barn chores such as cleaning the water trough, sweep the barn alleys and ranch horse tack room, and removing manure from the stalls and the tie line.

## **Level 2: Jr. Wranglers and Sidekicks will . . .**

learn proper names of the parts of a horse, and safely halter, lead, and tie a horse. They will also learn the parts of a saddle and bridle, and will assist in keeping them clean.

## **Level 3: Jr. Wranglers and Sidekicks will . . .**

catch, bridle and saddle horses, groom and bathe horses, and check exterior fences for safety. Some activities at this level will only be performed by adults or with direct adult supervision.

## **Level 4: Jr. Wranglers and Sidekicks will . . .**

learn basic health and nutrition of the horse, and perform basic wound care. Level 4 Jr. Wranglers will also participate in a leadership role and helping with R-Ranch functions. As in level 3, some activities will only be performed by adults or with direct adult supervision.

**Jr. Wranglers and Sidekicks will receive instruction, pass a brief written test, and complete a specified number of hours assisting with barn chores and horse care before progressing to the next level. All activities and individual participation occur at the discretion of barn staff.**
