

Effective 04/01/09

The motel price will be increasing \$5.00 per night for both owners and guests. The \$5.00 increase will then be placed into a separate account to assist in the cost of remodeling the motels in 2010. Owners will pay \$20.00 per night and guest will pay \$25.00 per night. We are also placing a two night minimum on the motels during the weekend. The weekend is considered to be Friday and Saturday nights. Thank you for your support and we look forward to seeing you on the ranch.
