

This Policy change is required by law and can be reviewed in the October & July minutes

Effective January 1st, 2007, your personal contact information will be made available to your Pardner's in the Wild Horse Ranch Owner's Association. To become compliant with our by-laws and the California Civil Code, an Opt-out policy is being established to allow owner to owner contact & communication for Ranch related purposes only. If you choose to be REMOVED from the list, you must Opt-out in writing. We will also be using this opportunity to avail the association of an inexpensive means of official communication using the internet. Thank you for facilitating our progress, please fax or mail the form below to:

Attn: Louise Van Dyke at the Rec Center (530) 352-4456

Fax (530) 352-4442 or send to: R-Wild Horse Ranch, 6700 Highway 36 West, Platina, CA 96076
